## CELEBRATE 21 YEARS WITH THE MALONE FAMILY TO HELP COLLEGE STUDENTS.

Jimmy Malone, his wife April, and their daughter Angela started the Malone Scholarship Fund in 1993 to help college students pay for their textbooks. Soon after, a friend referred them to College Now Greater Cleveland and the Malone family was inspired to do more. They launched the Malone Scholarship Golf Classic in 1996 and have since raised over $3.4 million to help nearly 220 deserving students attend an affordable college of their choice. In addition to receiving scholarships, Malone Scholars benefit from year-round mentoring. Malone Scholars have earned a 90% college graduation rate, and the vast majority choose to live and work in Northeast Ohio after college.
